DETAILED ACTION

Election/Restrictions

Applicant's election of Species I: Figures 1-4 and 14-24 directed to claims 1-8, 13 and 15-32 in the reply filed on December 17, 2007 is acknowledged. Because applicant did not distinctly and specifically point out the supposed errors in the restriction requirement, the election has been treated as an election without traverse (MPEP § 818.03(a)). Accordingly, claims 9-12, 14 and 33-70 are withdrawn from further consideration pursuant to 37 CFR 1.142(b) as being drawn to nonelected Species, there being no allowable generic or linking claim.

Specification

The abstract of the disclosure is objected to because it contains legal language, specifically "means" in line 2 and in the third to last line. Correction is required. See MPEP § 608.01(b).
